

INTERNATIONAL CONFERENCE PROGRAMME

„Autologous Hematopoietic Stem Cell Transplantation – current situation and future trends”

Thursday, May 12, 2016
Lithuanian University of Health Sciences
Centre for the Latest Pharmaceutical and Health Technology, 203 Auditorium
Sukileliu av. 13, Kaunas, Lithuania

09:00 – 10:00 Registration | Sponsors Exhibition

10:00 – 10:15 Welcome speech and opening of the conference | *Professor Remigijus Zaliunas, Rector of the Lithuanian University of Health Sciences*

Chairs: *Prof. Elona Juozaityte, Kaunas, Lithuania, Prof. Dietger Niederwieser, Leipzig, Germany*

10:15 - 10:35 Autologous HSCT in multiple myeloma: First experience in Kaunas | *Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania*

10:35 – 10:55 Latvian experience in autologous HSCT for multiple myeloma | *Dr. Ilze Trociukas, Riga, Latvia*

10:55 – 11:15 Estonian experience in autologous HSCT for multiple myeloma | *Prof. Hele Everaus, Tartu, Estonia*

11:15 – 11:55 The role of autologous HSCT in newly diagnosed and relapsed myelomas in the context of new drugs | *Prof. Laurent Garderet, Paris, France*

11:55 – 12:00 Questions and answers

12:00 – 13:00 Lunch | Sponsors Exhibition

Chairs: *Prof. Sandra Lejniece, Riga, Latvia, Dr. Vladan Vucinic, Leipzig, Germany*

13:00 – 13:40 Myeloma and the role of autologous HSCT | *Prof. Jerzy Holowiecki, Gliwice, Poland*

13:40 – 14:20 Is autologous HSCT enough for the treatment of multiple myeloma? | *Prof. Gosta Gahrton, Stockholm, Sweden*

14:20 – 15:10 The role of transplantation in lymphoma in the context of new drugs | *Prof. Norbert Schmitz, Hamburg, Germany*

15:10 – 15:30 Coffee break | Sponsors Exhibition

Chairs: *Prof. Hele Everaus, Tartu, Estonia, Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania*

15:30 – 16:00 Case Report (POEMS) | *Prof. Kestutis Petrikonis, Dr. Domas Vaitiekus, Kaunas, Lithuania*

16:00 – 16:40 Autologous HSCT in solid tumors | *Prof. Marco Bregni, Busto Arsizio, Italy*

16:40 – 17:20 New techniques in mobilization | *Dr. Vladan Vucinic, Leipzig, Germany*

17:20 – 17:35 Ruxolitinib for treatment of MPN and the role of HSCT | *Nadja Jäkel, Leipzig, Germany*

17:35– 18:15 Future of stem cell transplantation, cellular therapy | *Prof. Dietger Niederwieser, Leipzig, Germany*

18:15– 18:30 Concluding remarks
